## Best 10 Research Papers

- **Dhiman R** and Gupta NK. 2015. Propagation of Hard to Root Biofuel Species of Himalayan Region-*Wendlandia exserta* Roxb. DC *Indian Journal of Ecology* **42**(2): 543-545.
- **Dhiman R**, Gupta NK and Attri Varun. 2015. Effect of Storage Temperature, Growth Regulators and Chemical Solutions on Seed Germination in Chila (*Wendlandia exserta* Roxb.) *Indian Journal of Ecology* **42**(1): 227-229.
- **Dhiman R**, Gupta NK, Attri V and Sarvade S. 2015. Effect of Soaking Conditions with Growth Regulators and Nutrient Solutions on Germination Behavior of Ratela: A Fuelwood Species of Shiwalik Hills. *Environment & Ecology* P 41-45.
- Attri V, Pant KS, **Dhiman R**, Lal C and Sarvade S. 2015. Effect of Seed Size and Pre-sowing Treatments on Growth Parameters and Biomass of *Sapindus mukorossi* (Gaertn) Seedlings under Nursery Condition. *Environment & Ecology* P 46-49.
- Prakash P, Pant KS and **Dhiman R**. 2016. Effect of tree spacing and organic manures on seed parameters of *Calendula officinalis* L. under *Grewia optiva* Drimmond. Based agroforestry system. *Indian Journal of Ecology* **43**(1): 313-315.
- Pal DK, Dutt B, **Dhiman R** and Attri V. 2020. Studies on important medicinal plants of mid Himalayan region of Himachal Pradesh. *The Pharma Innovation Journal* **9**(12): 158-175 (NAAS 5.23).
- Pal DK, Dutt B, **Dhiman R** and Attri V. 2020. Economic utility of different plant species occurring in mid Himalayan region of Himachal Pradesh. *The Pharma Innovation Journal* **9**(12): 176-184.
- **Dhiman R**, Thakur CL, **Kumar D**, Pal DK and Attri V. 2022. Seedling parameters of *Quercus leucotrichophora* under natural conditions along altitudinal gradient at different locations of North West Himalayas. *The Pharma Innovation Journal* **11**(6): 2073-2076.
- **Dhiman R**, KumarD, Thakur CLand SankhyanHP. 2022. Effect of storage temperature, soaking period and chemical solutions on seed germination of *Wendlandia exserta* ROXB. DC *The Pharma Innovation Journal*. **11**(8): 588-

592.

- Mastana P, Sharma YP and **Dhiman R**. 2022. Effect of biofertilizers on seedling vigour of sweet leaf-*Stevia rebaudiana* Bertoni. *The Pharma Innovation Journal* **11**(6): 2077-2081.

## **Awards & Recognitions**

- Best poster Award in National Symposium on 'Crop Improvement for Inclusive Sustainable Development'.
- Best poster Award in 3rd International Conference on 'Global Initiatives in Agricultural and Applied Sciences for eco-friendly environment (GIASE-2019).
- Young Scientist Associate Award in 3<sup>rd</sup> International conference on 'Global Initiatives in Agricultural and Applied Sciences for eco-friendly environment (GIASE-2019).
